

Tuition Contract

****This contract needs to be received by the office by August 5th. Financial Aid recipients need to return this contract by June 15th.**

**** All families must be registered by August 5th on the online FACTS Tuition System**

In anticipation of your child's attendance at Maayan Torah Day School, Maayan has undertaken a number of financial obligations, such as hiring teachers, rental contracts, etc. We have undertaken these obligations to ensure that Maayan will be prepared to provide the resources that your child needs to succeed throughout the academic year. In light of this, it is necessary for Maayan to ensure that we will collect the necessary funds to meet our obligations. Please review and sign below, indicating your understanding and acceptance of Maayan's tuition policies.

Tuition Owed Upon Withdrawal

I understand and agree that in the event my child/ren is/are withdrawn from Maayan Torah Day School during the school year for any reason, I will be responsible for the following tuition payments:

- **Amount owed upon withdrawal from Maayan:** The cost of tuition through the withdrawal date plus two additional months (60 days). For example, if a student withdraws on October 15th, the family is obligated to pay tuition through December 15th.
- **Notice of withdrawal:** If your family gives Maayan 30 days' notice of withdrawal, we will reduce the above amount by 50%. For example, if your family informs us on September 15th that you will be withdrawing on October 15th, you will only be charged an additional 30 days of tuition beyond the date of withdrawal. Hence, you would owe tuition through November 15th only.
- **Financial Aid Recipients:** Families who receive a tuition reduction which is greater than 50% will be required to pay for three months of tuition beyond the date of withdrawal. This amount will not be reduced via notice of withdrawal.
- **April 1st:** As of April 1st, tuition for the entire remainder of the academic year is owed, regardless of withdrawal.
